

HILLS STREET GROUP

Providing Creative Solutions to
Injury Management,
Prevention & Rehabilitation.

Physio / Occupational Therapist, Young NSW

Hills Street Group is a growing business of Allied Health Professionals providing injury management, and associated services. We have offices in the Hunter, Central Coast, Central South West NSW, ACT, and Mid North Coast.

We are looking for the services of either an Occupational Therapist or Physiotherapist to join our Central South West NSW office based in Young on a full-time basis. All team members are involved in case management with focus on their specialist area, as well as a variety of other roles. You will need excellent communication skills, be able to project yourself clearly and appropriately in a positive manner and be self-assured when presenting seminars or group programs. You must be driven and have a huge amount of energy, able to bring out the best in those around you, be committed to sharing information, able to embrace change and have a passion to success.

You may fit either of the following positions and must be eligible for membership or possess accreditation with OTNSW, APA and WorkCover NSW where necessary.

Occupational Therapist – who is self assured with workplace and ergonomic assessments, and has an appreciation of the principles of manual handling. Prior experience with CTP injury management would be an advantage.

Physiotherapist – who has an awareness of functional/work related baseline activities, and use of cognitive behavioural strategies for goal setting to improve functional capacity.

Extensive training and ongoing mentoring will be provided in our evidenced based approach to all areas of occupational rehabilitation.

Please email your resume, including personal/work referees and cover letter to jenny.jubb@hillsstreetgroup.com.au. Enquiries to Jenny Jubb 63824777.
