

OT / Physio - Mid North Coast NSW & Newcastle/Hunter

Hills Street Group provides injury management and corporate health services directly to businesses and via their insurers. HSG is a growing business that services most of NSW.

We are looking for the services of an Occupational Therapist or Physiotherapist to join our enthusiastic team. This successful candidate would be required to service clients in and about the Mid North Coast and the Newcastle/Hunter region.

Tasks would include case management, functional assessments, workplace assessments and a range of business to business services extending beyond the typical third party/insurer/agent specific services.

Initially we require a part time or casual employee but the prospect of converting to full time work is strong for the right candidate

Extensive training and ongoing mentoring will be provided in our evidenced based approach to all areas of service provision.

Please email your resume, including personal/work referees and cover letter to acushla.munday@hillsstreetgroup.com.au Enquiries to Acushla Munday 0439434200.
